

**Big Hill Pond State Park
Disc Golf Course Sponsorship Opportunity**

Dear Neighbor,

McNairy County Tourism, Ramer Ruritan Club, and Big Hill Pond State Park are excited to announce the opening of The Big Hill Pond Disc Golf Course, an eighteen-hole PDGA accredited course located at Big Hill Pond State Park.

The goal of this project is to add disc golf to the expanding list of outdoor recreational activities available to residents of and visitors to McNairy County. To achieve this goal we will design, build, and maintain a championship caliber course that will be highly accessible to everyone and free to play.

Disc golf is one of the fastest growing sports in the country. This is due in large part to the minimal costs associated with playing the sport and developing courses. Disc golf is also a lifetime sport enjoyed by people of all ages and provides a full body form of exercise. We plan to utilize the course for a variety of disc golf related events, such as large tournaments that will attract people from outside of McNairy County creating a tremendous economic and tourism opportunity for McNairy.

Your sponsorship will help Big Hill Pond State Park achieve its goal of building a high quality, championship caliber disc golf course in McNairy and aid them in their commitment of maintaining and improving the hundreds of acres of park and open space to enhance quality of life in our community. The Disc Golf Course will attract visitors from outside McNairy County's borders, while helping build an active and engaged community to support local businesses.
